Help Us Furnish The CHE Training Center In Kenya

The initial goal of $1,390 for the CHE project has been reached, which will allow them to purchase 12 beds for the residential training program! If you were thinking of participating but have not gotten to it yet, we would still love to go beyond that and help with other parts of the project. We will send them the amount for the beds and keep this going until Sunday, December 13. Thank you for being involved.

Giving at Prescott

Thank you for worshipping with us today. Giving is another personal act of worship & thankfulness to God. It is something the church family does, not out of obligation - but out of love, to support the ministries here. You can place checks or cash in the wooden box on the control room counter. Envelopes are available in the backs of the chairs.
