## **Welcome to Prescott**

*At Prescott we understand that a spiritual journey can be somewhat intimidating. Whether you have church experience in your background or not, checking out a church can be awkward. All you have to do is look around and you realize that there are many different kinds of churches. They come in different sizes, they have different beliefs, they have different styles. It can be very confusing.*

*Our commitment to you is to help you deal with all that confusion and discover if Prescott is the place for you to continue your personal spiritual journey. God is at work at Prescott. We see and hear Him all the time. **Discovering Prescott** is your opportunity to find out what He is doing here firsthand and to participate in the excitement. Our prayer is that you will discover a community to belong to, a mission to embrace and an ever-growing personal relationship with God.*

## **How does it work?**

***Discovering Prescott** is a six week class designed to introduce you to our church. You will get a sense of who we are as a church family, what is at the heart of our ministry, and what we see in the future. During the six weeks you will discover:*

- ▶ **Our Vision** - what we are becoming
- ▶ **Our Values** - what drives the things we do
- ▶ **Our Purpose** - why we exist as a church
- ▶ **Our Product** - what we intend to produce
- ▶ **Our Philosophy of Ministry** - the process we will use to accomplish our process
- ▶ **Our Programming** - the structures in which ministry takes place
- ▶ **Your Role** - the place God has for you in our church
- ▶ **Our Expectations** - what we expect from our members

## **Week 1**

*During the first week of your journey you will get acquainted with our **Vision, Values, Purpose, Product and Philosophy of Ministry**. This is the heart of our ministry on which everything else is developed.*

## **Week 2**

*During the second week of your journey you will begin to look at our **Organization** with a focus on the importance of developing healthy relationships. We believe life change happens best in the context of healthy relationships characterized by love, authenticity and commitment.*

## **Week 3**

*During week three you will focus on our **Worship Service**. We are trying to create an environment where we can truly experience God - to make a connection with Him that lifts us above our circumstances and allows us to see the plan He has for us in this world.*
