Introduction: We are several weeks into our study of 1 Corinthians.

1. Corinth was a troubled church which explains Paul's letter.
2. In the opening chapters, he focuses on the division within the church.
3. He has called them to unity and is in the process of explaining how unity was possible.
4. As he does, we can learn some valuable lessons.
5. Last week we focused on the power of the gospel. In a way, Paul continues this line of thinking, but transitions his language to focus on Godly wisdom.
6. It's reminiscent of Christ's teaching on the wise and foolish homebuilders.
7. His point being, Godly wisdom only benefits when we obey!
