Help the children through the maze.

Well done, good and faithful servant!
Come and share in your master's joy!

Jesus told a story of a man who gave each of his three servants some money called talents to use. The first two servants each used the talents and doubled their money. The third servant hid his in the ground. The man told the first two servants that they had done well and that they were good and faithful. Since they were faithful with a little, they would be trusted with a lot. He told the last servant that he was wicked and lazy. So the one talent he had was taken away and given to another.
