
The Way Of Wisdom
"Financial Wisdom"
Proverbs 3:9-10

03-08-26

Introduction: We are working our way through Proverbs in search of wisdom, a wisdom that will allow us to navigate the complexity of life successfully.

1. Wisdom is needed in every area of our lives.
2. This morning we'll focus on our finances.
3. We may not like it, but money has an important place in our culture.
4. That means we better know how to manage it, because when we don't, the consequence can be severe.
5. Fortunately, Proverbs offers us some of the best financial wisdom available today.

I. The Foundation: Stewardship

- A. What It Means
- B. How It Works

II. The Acquisition Of Money

- A. Labor
- B. Savings
- C. Investment

III. The Management Of Money

- A. Budgeting
- B. Contentment/Living Within Means
- C. Responsibility
- D. Generosity

Conclusion: There is much more to learn about financial wisdom.

1. The point is we can learn, we can grow, and the sooner we start, the better.
2. But remember how growth works, be patient.
3. Is this an area where God is challenging you?
4. Help is available, let us know.
