“One In Christ”  
Galatians 3:28

---

---

Introduction:

1. Satan is not stupid.
2. He is an exploiter.
3. We have an inherent desire to belong.
4. If we are not careful, this desire can be destructive.
5. We live in a divided world where we have become tribal.
6. This kind of division is contrary to God’s plan.

I. We Are One In Christ

II. We Must Maintain That Oneness

III. The Glue Is Love

Conclusion:

1. Satan seeks to divide us.
2. We are one in Christ.
3. We must give Satan a taste of defeat.
4. We must give the world a taste of God.
