
The Way Of Wisdom

“The Future”
Proverbs 14:14

06-21-26

Introduction: We have been working through the Proverbs of Solomon for several months now.

1. Proverbs is literally a book of wisdom, and wisdom is essential if we want to successfully navigate the complexities of life.
2. In today’s study we will focus on our futures.
3. I hope by now you realize Solomon has described there are two ways to approach life.
 - A Life Rooted in The Wisdom of God
 - A Life of Folly
4. By definition, when we turn to Christ, seeking His forgiveness and submitting to His leadership – we have chosen the life of wisdom.
5. In our text today, Solomon focuses on a spiritual phenomenon that contrasts with that decision.
6. We can backslide, and backsliding has consequences.
7. So, this morning I want us to consider our future in light of the path we are on.

 - To experience life to its full.
1. This does not happen automatically.
 2. It requires intentionality on our part.
 - Regularly Renew Our Commitment
 - Consistent Submission to Holy Spirit
 - Practice
 3. The path we are on determines our future.
 4. Is the path you’re on taking you to the future you want?
