"God Speaks"

John 8:47, 14:26, 16:13

Introduction: We are moving right along in our "Experiencing God" study.

1. We've learned:

- God is always at work around us.
- God is pursuing a continuing, loving relationship with us.
- God invites us to join Him in His work.

2. This morning, we will look into how He extends that invitation.

3. Because He desires our involvement in His ongoing work, He speaks to us, He reveals what He's doing and how we can be involved.

4. The question for us is: Have we developed our spiritual sensitivity to hear him?

5. In today's study that will be our focus.

I. God Is Speaking

A. Scripture

B. Prayer

C. Circumstance

D. Church

II. Developing Discernment

A. Convergence

B. Relationship

C. Obedience

D. Filters

Conclusion: It is important to understand that developing discernment is a process.

1. That means it will take time, so be patient.

2. That means we will grow into spiritual sensitivity.

3. As we grow, God can reveal more.

4. Would you like to hear from God more often?

5. If so, you need to tune out self, tune out this world, and tune in to Him.
