Campus Improvement Updates

For a number of weeks you may have been reading about upcoming campus improvements. Most of these projects are in the preparation phase. Sometimes this phase (contractor estimates, permits, material ordering) can be lengthy before yielding visible change. However, two of the projects appear to be nearing the installation phase:

1. Digital Sign for Prescott Rd

As of last week, the largest hurdle is now behind us as the first permit has been approved by City Planning. There are a couple more permit steps before we can purchase and install, but we are making good progress!

2. Classroom Remodel (Preschool Rm)

This classroom has not received an update in cabinetry, plumbing, flooring, etc. in 40+ years. We have been gathering cost estimates over the past couple months and are now prepared to move forward with the project! Items being updated will include: new flooring, storage cabinets and cubbies, new sink and counter, and additional ducting for improved HVAC circulation. We hope to begin work next month and see completion by the end of the year.

Giving at Prescott

Thank you for worshipping with us today. Giving is another personal act of worship & thankfulness to God. It is something the church family does, not out of obligation - but out of love, to support the ministries here. You can place checks or cash in the wooden box on the control room counter. Envelopes are available in the backs of the chairs.
