Help Us Furnish The CHE Training Center In Kenya

The new MAI Community Health Evangelism Training Center in Kenya is nearing completion, and the opportunity is here for us to help make the dream of using this facility to train national pastors and community leaders in Africa a reality! The residential training center is now in need of furnishings to host trainees. Furnishings include: beds, mattresses, bedding (blanket, sheets, etc.), and some landscaping for the yard. We have set, as our initial goal for Prescott, to raise at least $1,390.00 toward the total furnishing needs. This amount would provide 12 additional beds for the center. Please pray and see how God will challenge you to be a part in reaching communities for Christ through this training center. For further information, contact Pastor Jim O'Brien. Thanks!

Hebrews 4:12 – *"For the word of God is living and active. Sharper than any double-edged sword, it pierces even to dividing soul and spirit, joints and marrow. It judges the thoughts and intentions of the heart."*
